

## Product Environmental Declaration

Product: CTT-x-24/230V

Product weights (gram)

Total: 122          Electronics: 80          Cover: 40          Cabling: 0          Metal: 2

### Major component materials in the product:

Cover: PC/ABS  
Printed circuit board: FR4  
Electronic components: RoHS compliant  
Cabling: n/a  
Terminals: Polyamide and copper alloy  
Fasteners (screws, washers etc.): n/a  
Other metal parts: Springs

### Environmental impact during manufacturing:

There are no harmful chemicals used in manufacturing.  
There is no documented information on energy consumption for the manufacturing process.

### Environmental impact during operation:

There are no known environmental effects of the product in use.

### Recommended handling of the product at end-of-life:

The product shall be disposed of in accordance with European WEEE directive. The product is marked with "Wheelie Bin" logo to indicate this requirement.

### Other issues:
